**STATEMENT OF OBJECTS AND REASONS**

Pursuant to the formation of the State in terms of the Andhra Pradesh Reorganization Act, 2014 (Central Act No. 6 of 2014), as section 101 of the Central Act provides that the State Government may, before expiration of two years from 02.06.2014, by order, made such adaptations and modifications of any law and such law as adapted or modified will continue till such time it is altered, repealed or amended by a competent Legislature or other competent authority in the State, certain Acts were adapted by the administrative departments. Since the time allowed for adaptation of the laws under section 101 of the Central Act was up to 01-06-2016 and the number of Acts to be adapted were more in number, pending examination of the amendments/modifications required to be made to the said un-adapted laws, it has been decided by the Government to adapt the remaining Principal Acts and Regulations in existence in the combined State and to repeal certain Acts.

Accordingly, by way of the Telangana Adaptation of Laws Orders, 2016 issued in G.O.Ms.No. 45, Law (F) Department, dated 01-06-2016 and G.O.Ms.No. 46, Law (F) Department, dated 01-06-2016, 304 Acts including 25 Regulations were adapted to the State of Telangana and 262 Acts were repealed.

Subsequent to the orders issued in the G.Os, on further examination it is found that, certain Acts outlived their utility, certain Acts were made with limited application and tenure; certain Acts are noticed to have been repealed by State/Central Acts and certain Central Acts to which amendments were made by the State Acts in the combined State have been repealed by the Central Government.

It has therefore been decided to repeal such laws and omit certain laws from the Adaptation of Laws Order, 2016 by undertaking a Legislation.

This Bill seeks to achieve the above object.
